1. RECEIVING YOUR iPad & iPad CHECK-IN

- 1.1 Receiving Your iPad
iPads will be distributed at the beginning of each school year during “iPad Orientation.” Parents & students must sign and return the Student Pledge documents before the iPad can be issued to their child. Students in grades 9-11 will keep the same device over the next 2-4 years. In order for this endeavor to be successful, it will take a joint effort between the students, staff and parents to ensure the success of this program.
- 1.2 iPad Check-in
iPads will be returned during final week of school so they can be checked for serviceability. If a student transfers out of the Burrton High School during the school year, the iPad will be returned at the time of checkout.
- 1.3 Check-in Fines
 - 1.3.1 Individual school iPads and accessories must be returned to the Burrton High School Tech Office at the end of each school year. Students who graduate early, withdraw, are suspended or expelled, or terminate enrollment at BHS for any other reason must return their individual school iPad on the date of termination.
 - 1.3.2 If a student fails to return the iPad at the end of the school year or upon termination of enrollment at BHS, that student will be subject to criminal prosecution or civil liability. The student will also pay the replacement cost of the iPad. Failure to return the iPad will result in a theft report being filed with the Burrton Police Department.
 - 1.3.3 Furthermore, the student will be responsible for any damage to the iPad and must return the iPad and accessories to the BHS Tech Office in satisfactory condition. The student will be charged a fee for any needed repairs, not to exceed the replacement cost of the iPad.

2. TAKING CARE OF YOUR iPad

Students are responsible for the general care of the iPad they have been issued by the school. iPads that are broken or fail to work properly must be taken to the Tech Office for an evaluation of the equipment.

- 2.1 General Precautions
 - 2.1.1 The iPad is school property and all users will follow this policy and the BHS acceptable use policy for technology.
 - 2.1.2 Only use a clean, soft cloth to clean the screen, no cleansers of any type.
 - 2.1.3 Cords and cables must be inserted carefully into the iPad to prevent damage.
 - 2.1.4 iPads must remain free of any writing, drawing, stickers, or labels that are not the property of the Burrton School District.
 - 2.1.5 iPads must never be left in an unlocked locker, unlocked car, or any unsupervised area.
 - 2.1.6 Students are responsible for keeping their iPad battery charged for school each day.
 - 2.1.7 Students will have the same iPad for the life of the iPad (senior iPads will go to next year’s freshmen).
- 2.2 Carrying iPads
 - 2.2.1 A protective case/cover for the iPad is required to help protect the iPad and provide a suitable means for carrying the device throughout the day.
 - 2.2.2 Students will be responsible for purchasing their own case for their iPad. We

felt that a majority of students would want to be able to choose their own cover. There is a wide variety of covers, colors, and cost available. When choosing a cover, understand you are responsible for repairs, so choose a cover that meets your needs but is also protective of the device to limit breakage.

- 2.3 Screen Care
 - 2.3.1 The iPad screens can be damaged if subjected to rough treatment. The screens are particularly sensitive to damage from excessive pressure on the screen.
 - 2.3.2 Do not put unnecessary pressure on the top of the iPad.
 - 2.3.3 Do not place anything near the iPad that could put pressure on the screen.
 - 2.3.4 Do not place anything in the carrying case that will press against the cover.
 - 2.3.5 Clean the screen with a soft, dry cloth or anti-static cloth.
 - 2.3.6 Do not “bump” the iPad against lockers, walls, car doors, floors, etc. as it may crack or break the screen.

3. USING YOUR iPad AT SCHOOL

iPads are intended for use at school each day. In addition to teacher expectations for iPad use, school messages, announcements, calendars and schedules may be accessed using the iPad. Students should bring their iPad to all classes, unless specifically instructed not to do so by their teacher.

- 3.1 iPads Left at Home
 - If students leave their iPad at home, they are responsible for getting the course work completed as if they had their iPad present. If a student repeatedly leaves their iPad at home, they will be subject to appropriate disciplinary action.
- 3.2 iPad Undergoing Repair
 - Loaner iPads may be issued to students whose machine is being repaired.
- 3.3 Charging Your iPad’s Battery
 - iPads should be charged to full capacity each day before they are brought to school. Repeat violations will result in appropriate disciplinary action being taken.
- 3.4 Screensavers/Background photos
 - Students will have the ability to customize their iPad (screen background). Appropriate media will be used. Screen lock pass codes are not to be used.
- 3.5 Sound, Music, Games, or Programs
 - Each student will need to have an Apple ID account. The Apple ID account will be the conduit through which apps are downloaded to the iPad. Many students already have a personal account set up. If you do not, that is something that is relatively easy to do. (FYI--You can set up an account without adding credit card information. . . .We would recommend this option). iTunes cards are the simplest way to add money to your account if students want to add music and personal apps to their account. Apple IDs may also be set up through the district on an as-needed basis.
 - 3.5.1 Sound must be muted at all times unless permission is obtained from the teacher for instructional purposes.
 - 3.5.2 Appropriate music is allowed on the iPad. Ear buds/headphones may be used in the classroom based upon individual teacher approval. During passing periods, students may not use ear buds/headphones. Students are not to be using their iPad while walking down the hall during passing periods.

- 3.6 Printing
Printing services will be available with the iPad. Students should talk to their teachers about the need to print and printer availability. Students will be given information and instruction on printing with the iPad at school.
- 3.7 Home Internet Access/Printing
Students are allowed to set up additional wireless networks on their iPads. This will be necessary to use web based services outside of the school setting. Printing at home will require a wireless printer, proper settings on the iPad, an e-print compatible printer and possibly an additional app or software on your home computer/printer.
- 3.8 Personal Apps
Students may install appropriate personal apps on their iPad via their personal iTunes account. USD No. 369 will, within reason, provide configuration settings that will not allow inappropriate content/apps/music to be installed on the iPad. This does not, however limit what can be downloaded to the students individual iTunes account or other personal device (iPhone, iPod. . .). In the event storage space becomes an issue on individual iPads, student music, photos and apps will need to be deleted.
- 3.9 iPads and Extra Curricular Activities
Coaches/sponsors for individual activities may limit whether or not iPads are allowed to be on buses or at particular events

4. MANAGING YOUR FILES & SAVING YOUR WORK

- 4.1 Saving to the iPad/Home Directory
Students should save work to the iPad. It is recommended students regularly back up data to another storage device or iCloud (Apple's cloud storage service). Limited storage space will be available on the iPad—Data will NOT be backed up in the event an iPad has to be re-imaged or restored to factory settings. It is the student's responsibility to ensure that work is not lost due to mechanical failure or accidental deletion. iPad malfunctions are not an acceptable excuse for not submitting work.

5. SOFTWARE ON IPADS

- 5.1 Originally Installed Software
The apps and operating system originally installed by USD No. 369 must remain on the iPad in usable condition and be easily accessible at all times. From time to time the school may add additional apps and OS upgrades.
Periodic checks of iPads will be made to ensure that students have not removed required apps or installed inappropriate material.
- 5.2 Additional Software
Other apps may be added by the school or the student throughout the school year. Some apps will be free and others may cost.
- 5.3 Inspection
Students will be selected at random to provide their iPad for inspection. iPad use and contents will also be monitored remotely.
- 5.4 Procedure for re-loading software
If technical difficulties occur, the iPad will be restored from a backup (if last synced to a home personal computer), restored from iCloud, or will be re-set to factory settings in the event a home computer is not available. The school does not accept

responsibility for the loss of any apps or documents deleted due to the necessity of a re-format and/or re-image.

- 5.5 Software upgrades
Upgrade versions of licensed software/apps are available from time to time. Students may be required to check in their iPads for periodic updates and syncing. Operating systems with Apple devices change. BHS will notify students on how to update apps, should updates be necessary.
- 5.6 Technology Support
Technology support for iPads will be available during the normal business day at Burrton High School between the hours of 7:50 and 3:40. After hours support will not be available.
- 5.7 MDM Profiles Installed By The District
MDM Profiles installed on iPads are not to be removed. Students who do not have active profiles on their iPads or who remove profiles will be subject to appropriate consequences.

6. ACCEPTABLE USE

The use of the BHS School District's technology resources is a privilege, not a right. The privilege of using the technology resources provided by the Burrton School District is not transferable or extendible by students to people or groups outside the district and terminates when a student is no longer enrolled in the Burrton School District. This policy is provided to make all users aware of the responsibilities associated with efficient, ethical, and lawful use of technology resources. If a person violates any of the User Terms and Conditions named in this policy, privileges may be terminated, access to the school district technology resources may be denied, and appropriate disciplinary action shall be applied. The Burrton School District's Student Code of Conduct shall be applied to student infractions. Violations may result in disciplinary action up to and including suspension and/or expulsion for students. When applicable, law enforcement agencies may be involved.

Student iPads will be labeled in the manner specified by the school. iPads can be identified based on serial number and Burrton School District identification number.
- 7.2 Storing Your iPad:

When students are not using their iPads, they should be stored in a locked locker. Nothing should be placed on top of the iPad. Students are encouraged to take their iPads home every day after school, regardless of whether or not they are needed. iPads should not be stored in a student's vehicle at school or at home. If a student needs a secure place to store their iPad, they may check it in for storage at the Tech Office.
- 7.3 iPads Left in Unsupervised Areas:

Under no circumstances should iPads be left in unsupervised areas. Unsupervised areas include the school grounds and campus, commons area, the lunchroom, locker rooms, library, unlocked classrooms, dressing rooms and hallways. Any iPad left in these areas is in danger of being stolen. If an iPad is found in an unsupervised area, it will be taken to the office. A student will be charged \$5.00 to retrieve their iPad that has been turned into the office due to not being supervised.
