Parent/Student Portal – Account Setup

To access the Parent/Student Portal, you need to have an activation key that is specific to each parent/guardian. You must contact the office at 620-463-3820 or unruhr@burrton.k12.ks.us or campbell@burrton.k12.ks.us to receive your activation key. When you have the activation key, follow the steps below to create your account. You will be able to view information for all of your students with a parent account. Students will have their own account already set up that will allow them to view their own information.

Go to the district website at <http://burrton.schoolfusion.us> and click on the Student/Parent Portal link.

Then follow the steps as pictured below and on the next page.

Once you set up your User Name and Password you are ready to log in to the Infinite Campus Parent Portal.
