Tyler Hoopes
MS/HS Principal
6-12

August, 2016

Dear Parent,

I would like to invite all middle and high school parents to an informational meeting that will cover important board policies and graduation requirements on August 10 at 6:30pm in the commons. I am hoping this meeting will answer any questions parents might have about board policies and graduation requirements. I will also take this time to introduce myself and give you some information about me. I think it is very important that parents get involved in their student's education. This meeting will be very helpful to set the foundation for parent involvement. You are encouraged to attend this meeting to kick off the new 2016-2017 school year.

There will also be a mandatory iPad meeting on August 11 at 6:30pm in the commons. All new high school students and their parents, as well as freshmen and their parents must attend this meeting for their student to receive an iPad.

If you have any questions, please call the school at 463.3820.
Thanks
